ESSENTIAL

Bitdefender GZ + SyncroMSP

\$9 /mo **\$95** /yr

We partnered with the best. Bitdefender is an award winning leader in cybersecurity protection for home and business customers alike.

Through SyncroMSP, your devices will run daily virus, update, and hardware defect scans. We'll also handle your devices maintenance with a hand picked list of weekly cleanup scripts.

**BEST
VALUE**

GOLD

Essentials + Synology Backup

\$49 /mo

Protecting your data is more than just keeping viruses off your computer. Hardware failure, theft, and accidental damage can result in the permanent loss of data.

We've partnered with Synology to provide you with a safe and secure backup for your precious memories so recovery is always an option.

PLATINUM

Gold + Premium Support

\$199 /mo

Let us act as your personal IT team with an hour of prepaid support [*remote or in person*] and up to two in-store drop-offs each month. We'll help you with tune-ups, malware clean up, and upgrades without the labor charge.

Bundle all your IT needs into one package and save over 35%.
